Welcome to St. Mary's School!

Located in a rural community, St. Mary's School is a vital component of St. Mary's Parish resting on a solid foundation of faith and Catholic tradition. Starting those very early days right up to the present we have passed on from one generation to the next not only our rich Catholic parish heritage but also a solid educational curriculum. St. Mary's School is the place where students are reinforced in the faith and beliefs of the Catholic Church that are taught and supported in the home. They come to know and love the person of Jesus, His words and works.

Our students attend Mass at least once a week and are provided with numerous opportunities for various prayer services throughout the year. Each year we have an all-school retreat. Religion classes and service projects are an integral part of our daily curriculum. Our day begins and ends with prayer by the whole student body.

We are fortunate to have a dedicated, state-certified staff who go beyond the call of duty to help our students grow into mature, positive, decision-making young adults. We instill in our students a sense of service to others. We strive to create a Catholic Christian community that transmits Christian values and the social teachings of the Catholic Church.

St. Mary's School has full accreditation under the Ohio Catholic School Accrediting Association. Like all other Catholic schools in the diocese, we follow the Curriculum Courses of Study of the Diocese of Toledo. We have classes with a small teacher-student ratio. We offer Computer, Physical Education, Music, Art, Speech, Counseling, Math and Reading Tutoring.

In educating the whole child, St. Mary's School also has a well-rounded offering of sports activities including, but not limited to, football, basketball, and volleyball. Our students also have the opportunity to join teams that are locally formed.

You are most welcome to "come and see" our wonderful school. Please call the school office at 419.943.2801 to make an appointment. You will be given a guided tour and be able to have all your questions answered on one trip.

We, the staff of St. Mary's School, are proud and happy to be able to spread the good news of Jesus in this day and age in this corner of God's kingdom.

Thank you for visiting our web site. May God bless you!
